By Our Varsity Correspondent

The long awaited academic council meeting of the Dhaka University was held on Tuesday. The meeting ended without taking any decision.

Earlier the Pro-Vice Chancellor had assured the honours final examinees who were on hunger strike that the authorities would start the examinations by August 31. The academic council meeting was scheduled to take a decision.

The academic council members agreed to take the examinations but could not fix a date.

It is hoped that the syndicate of the university would hold a meeting immediately.
