Students urged to maintain peace in exam. centres

Staff Correspondent //

The Education Environment Council of Dhaka University on Tuesday urged the students belonging to various organisations not to raise slogans on the campus in and around examination centres. The Council also made recommendations to take stern action against persons trying to create obstacle in the construction work of the Dhaka University.

The decisions were taken at a meeting of the Council held on the day with Professor Abdul Mannan, Vice Chancellor of the university in the chair. Professor Mannan told the Council that authority was determined to identify and take stern action against those trying to create chaos on the campus.

The meeting expressed its determination to maintain congenial atmosphere on the campus and to protest against all sorts of terrorism to restore academic atmosphere on the campus. Professor K.A.M. Saad Uddin, Professor Ahsanul Hoq, Professor Akhteruzzaman and student leaders participated in the discussions.

The meeting condemned the activities of those trying to foil the discipline in the silent procession held on Sunday. It congratulated all those who extended cooperation in making the rally and silent procession a success.
