## Dhaka Varsity to open Nursing Science Faculty

The Academic Council of the University of Dhaka in a meeting on Tuesday with Prof Abdul Mannan, Vice-Chancellor of the University in the chair decided to open a separate Faculty named "Faculty of Nursing Science" under the University. says a DU press release.

The meeting also recommended to introduce a new Department of ment named "Department of Computer Science" at the Dhaka University. A Task Force was also formed to make a report about the syllabus and other related affairs of the Department with the Dean of the Faculty of Science as its Convener. Besides a decision was also taken to modernise the present Computer Centre of the University
