DU Hons, Masters courses to be finished on time

Prof Abdul Mannan, Vice-Chancellor of Dhaka University, on Tuesday expressed firm determination of the university authorities to complete Honours and Master degree courses in the stipulated time, reports BSS.

Prof Mannan asserted that from now on 'we want to finish three years Honours course in just three years and one-year Master course in one year'.

Speaking at the orientation programme for the freshers of the Department of Political Science and Institute of Fine Arts at the Teacher-Student Centre, Prof Mannan said from now on the authorities will not bow down to "terrorism, vandalism and any illogical demand of the students". He said troublemakers have already been ousted from the university and added, if necessary, further cleaning would be carried out to maintain congenial atmosphere in the campus.

Organised by the Students Guidance and Counselling Office, the function was addressed, among others, by Mr Bulbon Osman, Mr Abul Bæk Alvi, Dr Shawkat Ara Hossain, Dr Mustafa Choudhury and Mrs Meherunnessa.
