Chhatra League (H-A) procession after parading corridors of the Arts Building reached near Madhu's canteen. There was no counter procession at that time.

Late, a rally was held in front of Madhus canteen in protest against the attack. Addressing the rally Chhatra League (H-A) President Habibur Rahman blamed the Government's collaborators in the campus for the incident and called upon all concerned to resist them unitedly.

Meanwhile, Jatiyatabadi Chhatra Dal (JCD) has accused a section of Chhatra League (H-A) workers of involvement in the incident.

Asaduzzaman Ripon and Amanullah Aman, President and General Secretary of JCD, in a joint statement, said some of the Chhatra League (H-A) processionists created violence in the DUCSU building area by exploding bomb and firing gunshot.

The statement demanded of the DU authorities to take action against the persons responsible for the incident after probing.
