### DU teachers oppose setting up police camp in campus

Staff Reporter

The Dhaka University Teachers Association (DUTA) has expressed concern at the reported move for setting up a police camp on the campus and termed it contrary to the autonomous status of the institution.

The DUTA at an emergency meeting of its executive committee with Prof. Masihuzza-man in the chair yesterday also observed that setting up of police camp on the campus was not needed if the government was sincere in freeing the campus from arms.

The teachers community is always demanding to free the campus from arms and violence. The law enforcing agencies, if they want, can eliminate terrorism from the campus by bringing the terrorists under the laws of the land DUTA said.
