By Our DU Correspondent
Strike was observed at Dhaka University on Monday at the call of F. Rahman Hall Multi-storied Building Reconstruction Council.

The council led by the Hall students' union Vice-President Abul Kalam Azad Khan gave the strike call demanding immediate decision of the Vice-Chancellor regarding reconstruction of the hall as a multi-storied students' dormitory consisting of one thousand seats.

Residents of the said hall staged demonstration in front of the Vice-Chancellor's residence along with their beddings on Monday morning in support of the strike call.

The scheduled examinations were, however, held peaceful as those were exempted from the programme.
