By DU Correspondent

All examinations of the Dhaka University have been postponed till April 30 due to unavoidable circumstances, says a DU press release. Schedule of the postponed examinations will be announced later.

The decision was taken at an emergency meeting of the DU Syndicate held yesterday with Vice-Chancellor Prof A K Azad Chowdhury in the chair.

The Syndicate also decided that the DU authorities would extend all cooperation for rehabilitating the students who left their dormitories.

The Syndicate urged all student organisations, political parties and all quarters concerned to cooperate with the university authorities for maintaining peaceful academic atmosphere in the university.

The DU authorities will initiate negotiation with the leaders of all student organisations soon for restoring peaceful academic atmosphere, the Syndicate decided.
