## Peace rally at DU tomorrow

By DU Correspondent

Campus Peace (CP), a non-political organisation of the students of different educational institutions, will hold a peace rally on the Dhaka University campus tomorrow with a view to root out terrorism from educational institutions and establish non-violence politics on the campus.

Marking its second founding anniversary, the CP will also stage three dramas at the Teachers and Students Centre (TSC) of the university tomorrow afternoon. The peace plays uphold the principles of non-violence and will present the adverse effects of terrorism on educational institutions.
