BCL calls for indefinite strike at SUST

SYLHET, Nov 4:—Awami League's student wing Chhatra League has called for an indefinite strike in Shahjalal University of Science and Technology from tomorrow to press for a three-point demand, reports UNB.

The demands are ensuring co-existence of all students at Shahparan Hall and rights of education of all students and formation of an investigation committee to probe all terrorist incidents on the campus.

SUST was reopened today after the Durga Puja vacation but no classes were held. Sources said pro-BNP Jatiyatabadi Chhatra Dal drove out BCL workers who entered the campus.

Later the BCL workers held a rally at Subid Bazaar, one km off the campus, from where they gave the strike call. They also intercepted the vehicles carrying the SUST students.

Police chased the BCL workers during the holding of the rally and arrested three of them -- Atiqur Rahman Atik, Lincoln Ahmed and Shipon Ahmed.
