

Zillur says **Govt plans to bring charge in edn system**

Chittagong Bureau

CHITTAGONG, Mar 28: Education and Commerce Advisor Dr. Hossain Zillur Rahman said here yesterday said that the government had been working hard to bring positive change in the country's education system and ensure quality education.

He also emphasized on morality and urged the people who were involved in teaching profession to ensure quality education in their respective institutions and teach the students more about morality. "The nation would never be benefited with the expansion of educational institutions unless we can't ensure quality education," the advisor said.

He was addressing the foundation stone laying ceremony of a academic building and annual prize giving ceremony of Aporna Charon City Corporation Girls School as chief guest yesterday morning.

Acting Mayor of Chittagong City Corporation (CCC) M Manjur Alam presided over the function

while it was addressed among others by Chairman of Chittagong Secondary and Higher Secondary Education Board Dr. Mohammad Yusuf, veteran revolution against British Binod Bihari Chowdhury, Chief Executive Officer of the CCC AKM Khair Alam and Vice-President of the school managing body Bakht Nur Siddiquee.

Hossain Zillur Rahman asked the students to be worthy citizens and serve the country in the days to come through taking quality education morality.

Referring to the initiative making the port city a international standard he stressed the need for architectural design of different establishments including the school and college buildings.

Binod Bihari Chowdhury urged the young generation specially the students both female and male come forward with the spirit sacrifice and build the nation prosperous.

It is mentioned that Aporna Charon City Corporation Girls School was established in 1997 with a view to expand female education and since then, the school has been providing quality education to the female students.

Chittagong City Corporation has taken the charge of the school in 1997.
