

Library helps to eradicate illiteracy: Biswas

A delegation of Babul Smriti Sangha and Pathagar of Barisal Sadar called on President Abdur Rahman Biswas at Bangabhaban on Monday, reports BSS.

Talking to them, President Biswas said that a library is the store-house of knowledge, and in fact knowledge and higher rate of literacy are the real strength and guiding force for achieving economic emancipation of the people. He said library can create reading habit among the people of the

locality and help gradual eradication of illiteracy from society. He advised the members of the Smriti Sangha and the Pathagar to pursue their objectives with utmost sincerity for the benefit of the people.

Among others, representative of the organisation, Abdul Bari Hawladar, Hafizur Rahman, Shahidul Islam, Moulana Shah Alam and Mozammel Hossain were present.
