

## *Fresh admission tests for MBBS, BDS courses demanded*

**Staff Correspondent**

UNSUCCESSFUL students and their guardians once again called on the Awami League-led government on Wednesday to cancel the results of 2015-16 session's MBBS and BDS admission exams which were held on September 18 and take fresh tests.

Students-Guardians Unity Forum held a press conference at National Press Club, where its leaders alleged that the question papers of the MBBS and BDS admission tests were leaked.

The coordinator of the students Tanvir Ahmed said a 'Mass Enquiry Committee', a private initiative, had obtained proves that the question papers of the admission tests were indeed stolen.

The committee called on the government to cancel the admission test results and take fresh admission test immediately.

A 15-member commission headed by Jahangirnagar University teacher Anu Muhammad proposed for formation of a high powered enquiry committee to find out the persons responsible for pilfering the question paper and award them exemplary punishments.
