200-bed hospital, varsity college for Gazipur: Zafar

By A Staff Reporter

Leader of the House Prime Minister Kazi Zafar Ahmed on Monday announced in Jatiya Sangsad that the Bhawal College in Gazipur would be made a university college and the building which housed Islamic University would be transformed into a most modern hospital with an initial capacity of 200-bed.

In reply to a query made by Treasury Bench Member Hasanuddin Sarker, the Prime Minister said that he just had a telephonic talk with President Hussain Mohammad Ershad and according to his instruction he (Prime Minister) was making the announcement.

The Leader of the House said that elevation of Bhawal College into university college with both Honours and Masters

classes would fulfil the demand of the people of Gazipur about the facility of higher education at their door-steps.

The Prime Minister said that the proposed hospital would be the most modern in the country with latest equipment. The capacity of the hospital would be increased from initial 200 beds to 500 beds.

The Prime Minister expressed the hope President Ershad's decision would satisfy the people of Gazipur.
