

IEB paper meet begins

**Library for
engineers,
doctors to be
set up in Ctg**

CHITTAGONG, Nov 5: The fifth Annual Paper Meet International (APM) '98 under the auspices of the Institution of Engineers, Bangladesh (IEB) Mechanical Division began at the auditorium of the local Engineers Institution here today, reports BSS.

Chittagong City Mayor ABM Mahiuddin Chowdhury attended the inaugural function as chief guest. Chairman of the Engineers Institution, Chittagong Centre, ABMA Baset, presided.

The Mayor said an exclusive library for engineers and doctors will be set up in the city.

Chowdhury also urged the engineers to contribute their mite for bringing about technology revolution to meet the challenges of the 21st century.

Researchers from India, Japan, New Zealand, Australia and Malaysia are also taking part in the three-day paper meet. Some 48 research papers will be presented in the technical sessions.
