Awami League-backed Bangladesh Chhatra League (BCL) brought out a procession and held a rally on the Dhaka University campus on Wednesday protesting the anarchy of Jatiyatabadi Chhatra Dal (JCD) supporters at Chittagong Medical College Hospital (CMCH) and Eden Girls' College.

The BCL leaders blamed the government for patronising own-party terrorists and repressing the activists of opposition student organisations.

The terrorist activities of the JCD activists could not be termed as student politics, the leaders said adding that the government was out to ban student politics to divert people's sentiment against the ruling party's terrorism.

They demanded immediate arrest of those responsible to the anarchy at CMCH.

Acting BCL President Marufa Akter Poppy, acting General Secretary Saifuzzaman Shikhar, DU unit President Delwar Hossain and General Secretary Hemayet Uddin Himu addressed the rally.
