Educational camp on 'diabetes care' held in city.

Staff Correspondent

A two-day educational camp on 'diabetes care' was held at Ramna Restaurant, on Thursday and Friday under the aegis of Young Diabetic Welfare Society. Diabetic patients between the age group of 18 and 30 years took part in the camp.

Director General of BIRDEM, Major General (retd.) S. Amir Ali inaugurated the camp on Thursday as the chief guest while Mahbubuzzaman, member of the National Council of Bangladesh Diabetic Association attended the camp as the special guest.

Senior Vice-President of the Association and Principal Advisor (Surgery) of BIRDEM, Professor Mirza Mazharul Islam presided over the inaugural function while senior Vice President of Young Diabetic Welfare Society and Joint Director (Outdoor) of BIRDEM, Dr. CM Dilwar Rana presided over the concluding function.

The life member of the association Shah Afzal Ahmed distributed prizes on the concluding day.
