college student union polls

BARISAL, Apr 20:—Jatiyatabadi Chhatra Dal panel was declared elected unopposed in the election of Barisal Government College Students Union, reports UNB.

The Election Commission made the announcement, as other student organisations, including Chhatra League, did not file any candidates in the election.

Chhatra League leaders alleged that they boycotted the election in absence of congenial atmosphere of election on the campus, and due to attack and torture on their leaders and workers.

Biblop and Zahid of Chhatra Dal were elected vice-president and general secretary respectively.
