## 'CUET's 15th founding anniversary celebrated

**Our Correspondent**  
 Chittagong

THE fifteenth founding anniversary of Chittagong University of Engineering and Technology was celebrated on Tuesday with festivities.

The celebration began at 11:00am through setting off a colourful procession on the campus which was followed by a rally, discussion, blood donation programme, tree planting and friendly football match.

Founding anniversary celebration committee chairman Hazrat Ali, also the dean of civil engineering faculty, presided over the discussion at CUET central auditorium.

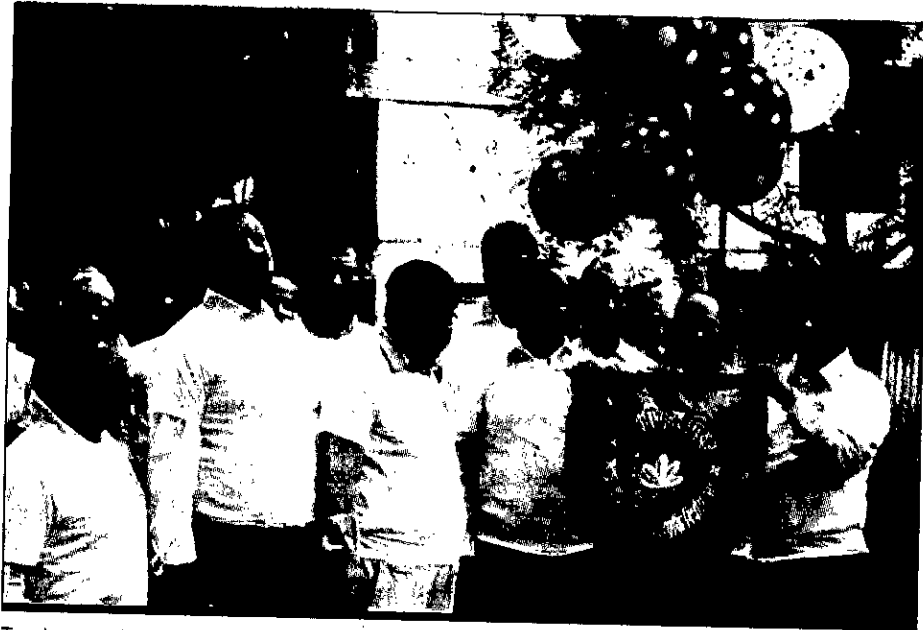

Secretary to the president's office Shampad Barua was present as chief guest at the programme.

CUET vice-chancellor Mohammad Rafiqul Alam addressed discussion as the guest of honour.

Acting registrar Faruk-Uz-

Zaman Chowdhury, engineering and technology faculty dean Ashutose Saha, architecture and planning faculty dean Mustafa Kamal, mechanical engineering faculty dean Mahbubul Alam, electrical and computer engineering faculty dean Koushik Deb, were present as the special guests.

The Bangladesh Institute of Technology (BIT) Chittagong became a university in 2003. It was launched as an engineering college in 1968.

Teachers and officers of the Chittagong University of Engineering and Technology on the campus on Tuesday release balloons at the university's 15th founding anniversary programmes. — New Age photo
