

# RU hall provost files GD against BCL leader

**RU Correspondent**

PROFESSOR Jahangir Rahman, provost of Shah Makhdum hall in Rajshahi University, has filed a general diary with the Motihar police seeking security against possible attack from a leader of Bangladesh Chhatra League, student's wing of the ruling Awami League.

The complaint was filed on Monday afternoon against Mushfiq Tahmodi Tonmoy, organising secretary of the BCL hall unit, confirmed Humayon Kabir, officer-in-charge of Motihar Police Station.

The professor alleged that Mushfiq, a third year student of folklore department and also a non-resident student of the hall, used to threat and assault residential students and employees of the hall to get his works done.

Even, he forced the hall officers to allow students from other halls to stay in the hall and occupy seats without the consent of the hall provost, said Jahangir Rahman.

'I have sternly warned him several times about his unauthorised activities and asked him to leave the hall, but he refused,' said the provost.

'At last, I served a show-cause notice to him, but he did not respond to it. He rather threatened the employees with life. This situation forces me to file this GD against him for the sake of security of the employees and the students,' the professor in his GD.

Mushfiq Tahmodi, however, denied the allegation.

The Motihar police officer-in-charge said that they would take legal action following the investigation.
