Human chain formed at DU to protest at 'conspiracy'

Bangladesh Sangbad Sangstha · Dhaka

A HUMAN chain was formed on Dhaka University campus on Wednesday protesting at 'conspiracies to destabilise the congenial academic atmosphere of the university'.

More than 20 socio-cultural organisations registered under DU Teacher-Student Center jointly organised the human chain programme at the altar of the anti-terrorist Raju Sculpture in front of the TSC on the campus at 12:00pm. From the protest programme, the students of the university raised their voice against the 'ongoing conspiracies to make the university unstable'.

They alleged that some evil cliques were plotting over the recent special senate session and in the name of movement for DUCSU election. Dhaka University Debating Society, Photographic Society, Mime Action, Tourist Society, DUIT, Provatferi, Band Society, Research Society, Foribesh Sangsad, Literature Society, Slogan 71 and Filmi Society took part in the human chain, among others.
