ADMISSION to Bangladesh Agricultural University in the 2016-17 session based on the second merit list begins today.

Professor Md Abdur Rashid, convenor of the admission committee, said that 105 seats under different faculties could be filled from the waiting list.

The first merit list candidates reported on Wednesday at computer science and mathematics department and later the admission committee published the waiting list around 8:00pm. The admission process has to be completed between 9:00am and 5:00pm.

Detailed information on the admission is available at BAU website: <http://admission.bau.edu.bd>.

The classes of first year students will start from January 03 next year.
