This year's primary and Ebtedayee examinations will be held on November 17-24.

National Steering Committee on Primary and Ebtedayee Terminal Exams decided on the dates at a meeting on Thursday.

State Minister for Primary and Mass Education M Zakir Hossain presided over the meeting.

“Primary and Ebtedayee examinations are the biggest programmes under the ministry,” Zakir said, urging all to help conduct the examinations properly.

“Question paper leaks can be kept in check if the procedure, from formulating papers to publishing results, is done sincerely,” he added.
