The Science and Technology Development Trustee Board holds its 20th meeting at the National Science and Technology Complex building in Dhaka on Wednesday. — Press release

The Science and Technology Development Trustee Board, under the National Museum of Science and Technology, decided to allocate Tk 87 lakh 97 thousand to 53 educational institutions and science service organisations.

The decision was taken at the 20th meeting of the Board of Trustees at the National Science and Technology Complex building on Wednesday, said a press release.

The chairman of the Board of Trustees, science and technology minister Yeafesh Osman presided over the meeting where senior secretary Ziaul Hasan and board members were present.

National Museum of Science and Technology director general Mohammad Munir Chowdhury conducted the meeting.

Yeafesh Osman said, 'The purpose of this grant is to reach the light of science at the marginal level.'

Mohammad Munir Chowdhury said, 'This grant is playing an important role in stimulating science practice. The great objective of this programme is to make the entire nation science minded.'
