A training workshop titled 'Psychomotor and Affective Domains of Learning: Assessment Strategy and Tools' was held at the Chittagong University of Engineering and Technology on Thursday.

The Institutional Quality Assurance Cell of CUET organised the training workshop at 2:30pm in the academic council room, said a press release.

CUET vice-chancellor professor Mohammad Rafiqul Alam was the chief guest while IQAC director professor Md Abdur Rahman Bhuiyan presided over the programme.

IQAC additional director professor Md Sanaul Rabbi gave inaugural speech. Also, he was the keynote

speaker at the workshop. IQAC section officer Md Imran Hossain conducted the event.

The heads of departments of civil engineering, water resources engineering, computer science and engineering, electrical and electronic engineering, electronics and telecommunication engineering, mechanical engineering, mechatronics and industrial engineering, biomedical engineering, materials and metallurgical engineering, petroleum and mining engineering of CUET participated in the training.
