The prize giving ceremony of a two-day Inter-University Photography Competition 'SFURON 5.0' took place at the Bangladesh University of Professionals on Wednesday.

With the prudent guidance of vice-chancellor of BUP Major General Md Mahub-ul Alam, BUP Photography Society organised this competition under the supervision of the Department of Mass Communication and Journalism.

The event provided a platform for the budding photographers to showcase their photographic talents and foster a spirit of creativity. The competition started on Tuesday.

Among others, pro-vice-chancellor Professor Khondoker Mokaddem Hossain along with BUP high officials, faculty members and students were present in the programme, said a press release.
