Manarat International University celebrated its 24th founding anniversary on its Gulshan campus in the capital on Tuesday.

Acting vice-chancellor of the university Professor Md Abdus Sabur Khan cut the cake to mark the MIU Day-2024, said a press release.

The current and former students of the university exchanged greetings with the VC and teachers and staff on the day.

Those who want to establish their children as educated and ethical citizens can keep the MIU in their list of choice, the VC said.

Congratulating the current and former students and teachers and staff of the university, he mentioned that the university was proud of about 8,000 graduates in this long journey, most of whom have been serving the country, nation and society with honesty and devotion in various institutions at home and abroad.
