10,000 students studying in homeopathic colleges

CHITTAGONG, April, 21: More than ten thousand students are studying now in different affiliated and non-affiliated homeopathic colleges in the country, reports BSS. This was stated by the Deputy Minister for Health and Family Planning Mr. Nurul Amin Khan Pathan at the divisional conference of Bangladesh Homeopathic Association

held at the Zila Parishad auditorium here, an official hand out said. He said that there were 13 affiliated homeopathic colleges in the country and 18 more were awaiting government recognition. At the time of independence there were only five homeopathic colleges, he added. Mr. Nurul Amin said that the Homeopathic Board Regulation came into force in 1965 and on the basis of this regulation both degree and diploma in Homeopathic medicine and surgery were introduced. Dr. Anwarul Ashan, convenor of the conference presided.
