## Call to take part in eradicating illiteracy

GOURNADI (Barisal) Jan. 11.—Jute Minister Abdur Rahman Biswas has said that illiteracy has to be removed at any cost reports ENA. He called upon the teachers and students to take active part in the nation wide campaign for eradication of illiteracy due to start from February next.

The Minister was addressing as chief guest the installation ceremony of the newly-elected union of the Gournadi college here on Wednesday.

He said that the country cannot be developed unless the people are educated properly. Our continued efforts and hard labour can help remove the various problems and ensure prosperity and happiness, he added.

Later the Minister addressed the workers of the local Family Planning project managed by the freedom fighters of Gournadi.

He also performed the opening ceremony of newly started Razzak Howlader Academy at Madaripur.
