

3000 to get admission in DU Hons classes

By A Staff Correspondent

Dacca University has decided to accommodate 3000 students in First Year (Honours) classes under different faculties in 1977-78 academic session.

Last year 2215 seats were reserved for the First Year (Honours) classes. The decision was taken in view of the admission rush following amalgamation of two intermediate batches.

Though the university has shortage of teachers and accommodation problem it has made all arrangements for the admission of 3000 students in the first year (Honours) classes.

A Dacca University Press release said the university has relaxed the minimum educational requirement for admission for facilitating new students to ap

pear in admission tests. Meanwhile, admission tests in different departments were held and 1834 got approval for admission. The date for admission tests in science and biological science faculties have been shifted to stop desertion of students in these faculties to Engineering University and medical colleges.

The First Year (Honours) classes in all faculties will start from January 2, 1978.
