FOUR activists of Bangladesh Chhatra League were arrested on Wednesday on charge of assaulting the newly appointed principal of Government Brojomohun College in Barisal.

Barisal Kotwali police officer-in-charge Shakhawat Hossain said they will produce the arrested in court today with remand prayer.

All the four arrested, Shohag, Sohel, Jahirul, Mirajul, are reportedly associates of a college unit

Chhatra League faction led by one of its joint convener Moyeen Tushar.

Shankar Chandra Datta, the new principal, lodged a general diary on Wednesday with the Barisal Kotwali police bringing assault charges.

Associates of Moyeen Tushar allegedly beat up and chased Shankar Datta on Tuesday while he was coming to the college campus to attend the first day at his new office.

Hemayetuddin Serniabad and Abdur Razzak,

respective president and secretary of Chhatra League, student front of Awami League, and the organisation's Barisal city president Jasimuddin condemned the attack on Shankar, saying that the organisation would not take any responsibility of the act.

They also denounced the shutdown of the college since January 29 allegedly forced by the Moyeen Tushar-led faction, calling it an 'illegitimate movement' to restore its former principal Nani Gopal Das.
