3 more polytechnics will be set up

Vice-President Mr. Justice A. Sattar on Sunday called upon the technical personnel to discharge their responsibility properly and play their due role in the national development activities, reports BSS.

Inaugurating the fourth national conference of the Institute of Diploma Engineers in Dacca the Vice-President said that the Government was aware of the problems of the diploma engineers and it would try to remove them as far as possible.

He said, besides the existing technical institutions, the Government would set up three more polytechnic institutes, 22 vocational institutes and one institute for the training of teachers of the vocational institutes.

Presided over by Mr. M.

Tazammul Hossain, President of the central executive committee of the Institute of Diploma Engineers, the function was addressed by Mr. Shafiquddin Sarker.

The Vice-President said, the nation needs huge number of diploma engineers for economic development of the country. Keeping this in view, he added, the polytechnic institutes were set up in the country. He expressed the hope that the diploma engineers would continue to contribute their mite in the national development activities.

He pointed out that unless the dignity of labour was established in true sense in "our society", the nation would never be able to achieve its cherished objective of economic freedom.
